

52cm Murray Bridge Chair High Back Aluminium

The Murray Bridge Chair High Back is a lightweight and sturdy design manufactured for comfort and support with a light weight aluminium frame. This lounge style chair with sculptured backrest provides full lumbar support. The Murray Bridge High Back Chair is height adjustable, depth adjustable and has a removable back rest for easy transport.

The Dot fabric range is an easy care, waterproof range that meets AS3744 for smouldering cigarette and ignitability standards.
